Nicole's Missions Trip 2022

Hi Friends & Family!

I'm heading back to the Wade Center again this summer from July 24th - 30th. This would be my 4th time visiting the center in Bluefield, West Virginia. The center provides a free after school program during the year, and a free summer camp throughout the entire summer. The center welcomes students from kindergarten through fifth grade. The hope is to influence the kids' lives in a positive way to help them build a positive future.

My team and I are excited to join the Wade Center this summer with the plan of sharing the gospel and influencing the children in a positive way. We will be there for a week working with the kids daily. Our prayer is that when we leave, the kids know how loved they are by God, and know how much they are cared for.

I'm asking you to take a step alongside me with either helping to financially or prayerfully support my team. I am excited to be able to serve the kids there again and to continue building relationships. I can't wait to share how I am moved by my fourth trip to the Wade Center. Thank you for your support!

Join me in prayer!

- Pray that God would be working in the students' hearts even before we arrive
- Pray for our preparation and time before our team leaves.
- Pray for the hearts of the Wade center Leadership
- Pray for boldness & courage for all of our team members
